Safety Signs

Covid-19 Safety Signs should be displayed wherever possible in the workplace.

Acorn Signs are here to advise you what Covid-19 signs you require and how best to use this type of signage. We have designed a wide range of Covid-19 signs which promote safe working in shopping centres, shops, schools, businesses, offices, hotels and public areas.

Our in-house design facility can incorporate your company's branding on any of the designs.

Help prevent coronavirus

Wash your hands

Cover mouth if coughing or sneezing

Avoid touching your face

Keep surfaces clean

Stop shaking hands and hugging

Keep a safe distance

The virus spreads in sneeze and cough droplets, so regularly taking the above measures helps reduce the chance of it spreading.
